What information is printed on your labels for the 15ml tubes of Extra Fine Watercolor?

Manufacturing · https://danielsmith.com/fr/kb/what-information-is-printed-on-your-labels-for-the-15ml-tubes-of-extra-fine-watercolor/

Our labels provide the information necessary to make educated color choices:

- **Pigment** - the ASTM common name for the pigment(s) used to make the color
- **Vehicle** - the binder used to secure the pigment to the paper
- **Lightfastness** - the permanence of a pigment
